Please DONATE to fund raiser supporting non-GMO and non-pesticide approaches to control mosquitoes in the Florida Keys. Genetically modified mosquitoes and pesticides have no place in this pristine ecosystem!!! We support the implementation of tax deductions for property owners who use passive non-GMO and pesticide-free devices to control the Florida Keys mosquito population. Go to

www.gofundme.com/tigermaze

We can do this!!!

Contact us at (855)285-4585 or
