Monroe County, Florida  
Purchasing Office  
Gato Building  
1100 Simonton Street  
Room 2-213  
Key West, Florida 33040

**NOTICE IS HEREBY GIVEN** that Monroe County, Florida has received an unsolicited proposal submitted under the provisions of Section 255.065, Florida Statutes, Public-Private Partnerships, for the design, construction and financing of a new fire station for Monroe County to be located on the site of the existing Sugarloaf Volunteer Fire Station at 17175 Overseas Highway, Sugarloaf Key. Monroe County currently owns the site. The site is depicted below:

Under Section 255.065, Florida Statutes, the County is required to publish notice of the acceptance of an unsolicited proposal and a willingness to accept competing proposals. The Board of County Commissioners of Monroe County has determined that this unsolicited proposal is sufficient for consideration on a preliminary basis and, as such, Monroe County will accept competing proposals for the design, construction and financing of a new fire station on the site of the existing Sugarloaf Volunteer

Fire Station at 17175 Overseas Highway, Sugarloaf Key during this notification period. No final decision has been made relative to accepting this or any proposal for this project. Persons or entities submitting competing proposals are advised that such proposals must be in compliance with Section 255.065, Florida Statutes including, but not limited to, Subsection 255.065(4), Florida Statutes.

Additionally, the unsolicited proposal was submitted in contemplation of the potential settlement of litigation in *Sugarloaf Wi-Fi, Incorporated v. Sugarloaf Fire Department, Incorporated, Kevin Gerard, Randall Livingston, et. al., Case No. 2017-CA-0020-K and Board of County Commissioners of Monroe County v. Sugarloaf Volunteer Fire Department & Sugarloaf Wi-Fi, Incorporated*, 2017-CA-0631. Consequently, the unsolicited proposal and any competing proposals must incorporate in the design thereof structural elements that will permit Sugarloaf Wi-Fi, Incorporated to locate equipment needed to support a stealth cell tower.

Moreover, the Monroe County Division of Fire Rescue has expressed a preference that the any proposed design of the Sugarloaf Fire Station incorporate a multipurpose conference room to accommodate departmental training, public meetings and other community outreach events.

The County reserves the right to reject any or all proposals, and to negotiate a comprehensive public-private partnership agreement with the Proposer whose proposal best serves the interests of the County. Nothing contained herein shall be interpreted as an obligation or binding agreement by the County regarding the Project.
